How Does Tuition Assistance Work?

Financial Aid Scholarships will be based on household size and income. These scholarships usually cover \$250, \$500, or \$1000 of the annual tuition. Limited scholarships are available each year.

The scholarships are an annual scholarship and will be divided evenly over the ten-month billing cycle and credited to your account monthly.

The scholarship is awarded for the entire year providing:

1. Your child is accepted to the school;
2. Your family remains financially eligible;
3. Your family keeps current with its payments to the school.

How Do I Apply?

Step One. Refer to the chart to see if your family qualifies financially.

Step Two. Complete the application attached to this information sheet. Please include your completed application, a copy of your 2007 Federal Tax Return (Form 1040) or an official statement regarding Cal Works (AFDC), Social Security, Disability, Worker's Compensation, Retirement Benefits, Foster Care, or Unemployment. In addition, please provide a written commitment of worthy student assistance from your local church.
